The following is an examiner's statement of reasons for allowance:

Applicant has also traversed the prior art rejections in detail, showing that the references do not teach or fairly suggest, either singly or in combination, the feed supplement of dried citrus peel or pulp in a concentration of not more than 1.5%.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
